- Status: Remedy Available

🔍 [Learn more about this recall](#)

Description: American Honda Motor Co., Inc. (Honda) is recalling certain 2016-2022 Pilot, 2017-23 Ridgeline and 2019-2023 Passport vehicles. Vehicles operated in regions where de-icing agents are heavily used may experience premature corrosion at the rear subframe suspension mounting points. As the corrosion progresses, material thinning may occur and could result in fracture and failure of rear suspension components.

If the mounting points for the rear control arm or lower arm fail, the rear wheel(s) may become misaligned or inadequately retained, which could adversely affect vehicle handling, stability, and braking performance, increasing the risk of a crash or injury.

Remedy: Registered owners of all affected vehicles will be contacted by mail and asked to take their vehicle to an authorized Honda dealer. The dealer will inspect the rear subframe and install a rear subframe reinforcement kit and, as necessary, repair or replace affected rear subframe components. Owners who have paid to have these repairs completed at their own expense may be eligible for reimbursement, in accord with the recall reimbursement plan on file with NHTSA. For additional questions, owners may contact American Honda's Customer Support & Campaign Center at 1-888-234-2138.

Glossary

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Manufacturer Recall

Automobile manufacturers issue recall notices to inform vehicle owners of a safety defect or failure to meet minimum federal safety or emissions standards. Manufacturer recalls are repaired at no cost to the customer.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
